

Mason Matters Newsletter

January 2024

Happy New Year!

The coalition had a brief pause over the holidays; this allowed the Mason Matters Board to develop the project proposal template. It was finalized last week so coalition projects can officially begin!

If your group has a project in mind, fill out this form and send it back to me ASAP!

The coalition will begin to meet quarterly starting in March so please let me know if there are specific days or times that work better than others.

All of the information you need about the groups, projects, where to find a copy of the proposal template or a copy of this newsletter can be found on the healthymasoncounty.com website!

The Blue Zones Kickoff Event will be on Saturday, January 27th at the Mason County Senior Activities Center, starting at 10am. The event will have food and giveaways, and you will be able to learn more about the upcoming projects
